

Accuratus 260 Euro USB Keyboard (Black)

Part Code: KYBAC260-UBLKEUROHY

Patented EURO € key

About

The Accuratus 260 Euro USB Keyboard from Ceratech is rare being finished in satin black.

This keyboard with its laser etched keys is an ideal compliment for those seeking a black matched system. Black has always been a firm favourite but getting the balance between looks, performance and price isn't easy - not so with the 260.

As an extra twist, this keyboard has a patented 'one touch € key' giving you 3 major currencies, £, \$ and €.
